

COSMETOLOGY

HAIR GROWTH

PRP and other hair growth treatments are facilitated by renowned cosmetologists and hair specialists at Deepam Speciality Hospital. Platelet Rich Plasma (PRP) is an effective hair growth treatment for hair growth, it can give life to hair follicles. This procedure has proven to be the most successful procedure for re-growth and stimulation of hair follicles.

ACNE SCAR REDUCTION

Cosmetologists and dermatologists at Deepam Facilitate Scar removal treatments for acne scars and marks complete removal. This can be done by medication or even laser treatment according to the intensity of the scar. Stubborn scars may need procedures and a number of sittings while feeble scars can be cured in doses of medications and few consultations.
